

Chislehurst School for Girls

Weekly News 2nd October 2026

Dear parents, carers,

We are so very grateful for your **kind and generous donations for Bromley Foodbank**. We know that your giving will be very much appreciated by local families and we thank you. We were treated to some spectacular performances in our assemblies this week with our theme of harvest from around the world. Thank you, to **Mrs Tipping** and our **talented students for live poetry recitals, stunning vocals, a beautiful lyrical dance and some impressive public speaking**. The stage was awash with colour with the creative boxes ably decorated and packaged with love and care.

There are some great accomplishments in this week's newsletter ranging from the visit from **Oxford and Cambridge University**, art, chess, and the ever-popular **football results**. I also am extremely grateful for the excellent conduct and support from all students as we took our **whole school 130th birthday panoramic photograph** this week. We took it in two halves, in between the showers and the students were an absolute credit to you all. We look forward to sharing the finished photograph with you in due course.

And finally, a **huge thank you to all of the students who performed or acted as tour guides at our final Friday@4 open event this evening**. As ever, you did us proud.

With my very best wishes to you all,
Mrs French,
Headteacher

Assembly - Harvest

This week, we celebrated **Harvest** as a community. Our assembly centred around the appreciation of our world, marking the year that Sir David Attenborough celebrated his 100th birthday. Staff and students shared pictures of the beautiful places they had visited during the Summer, including the beautiful countryside of Ireland, the produce of the UK, the solar eclipse in Spain, our amazing oceans and mountains extending to Montenegro, Bali and Thailand. The students presented with such poise and pride on how Harvest is celebrated across the world. We were treated to a poem written by **Leonora and Jess** in **Year 10** challenging us about how we treat our environment with **Dolly** singing Fleetwood Mac's version of "Landslide" and **Amaria** singing "Nature Boy" originally by Nat King Cole. The assembly was introduced with a lyrical dance by **Grace, Leah and Lucy**, choreographed by **Poppy** in **Year 10**. We were touched by the generosity of students and their families with the stage decorated with **Harvest boxes** full of generous gifts. In addition, in exchange for hair conditioner, students from **8C** will be giving friendship bracelets and **Milena** from **8C** reminded us of the importance of being kind. The hair conditioner will go to a charity called "**Bromley Brighter Beginnings**".

Mrs Tipping

Headteacher's Break time reception

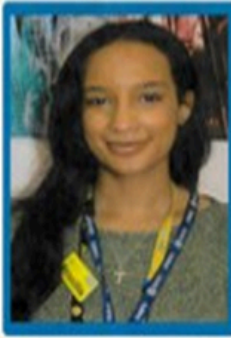

Mrs French had the pleasure of Beatrice, Maddie, Shayla, Amelia, Phoebe, Chathumya, Emma, and Eva, in Year 7s company as she hosted the Headteacher's Break time reception this week. Mrs French really enjoyed getting to know everyone and hearing about the things that they love.

- Diet and exercise
- Weight worries
- Growing up
- Sexual health issues

Applications Talk from Outreach Officers from Oxbridge Universities

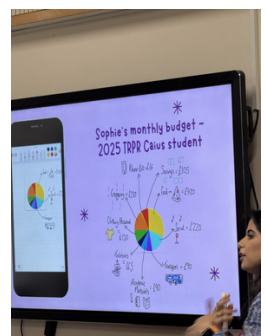

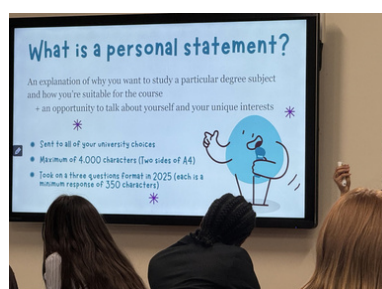

This week, our **Sixth Form** was delighted to welcome outreach officers from the Universities of **Oxford and Cambridge** for an after-school session supporting students considering competitive university applications.

Students received valuable insight into what it is like to study at Oxford and Cambridge, as well as practical guidance on the application process. The session explored the Oxford college system, what universities are looking for in strong applicants and how students can begin preparing effectively for a competitive application.

A particular focus was placed on personal statements, with students receiving advice on how to communicate their academic interests and demonstrate genuine engagement with their chosen subject. The speakers also shared a wealth of ideas for supercurricular activities – opportunities that allow students to explore their subjects beyond the classroom through wider reading, lectures, podcasts, competitions, courses and independent research. Students had the opportunity to ask questions and hear directly from university outreach specialists about how they can make their applications as strong as possible.

The event formed part of our wider Sixth Form enrichment and university preparation programme, which aims to ensure that students are well informed, ambitious and equipped to make confident choices about their next steps.

Building Oracy Across the School: The Time Capsule Challenge

This week, our **Year 12** students welcomed **Year 9** students into the **Sixth Form Centre** for a special **cross-year Oracy Time Capsule Challenge**.

Working in small groups, with Year 12 students taking the lead, students were challenged to decide which items, ideas and aspects of life today should be placed into a time capsule to represent 2026 to people in the future. The activity encouraged plenty of lively discussion as students had to explain their choices, listen carefully to different viewpoints and work together to reach a group decision.

The session was designed to develop some of the key skills at the heart of effective oracy: speaking confidently, active listening, asking questions, building on the ideas of others and respectfully disagreeing. Our Year 12 students also had the opportunity to develop their leadership and facilitation skills by guiding the younger students through the discussion and ensuring that everyone had a chance to contribute.

It was fantastic to see students from different year groups working together so positively. The Sixth Form Centre was full of conversation, debate and some very creative ideas about what future generations would need to understand life in 2026!

A huge thank you to our Year 12 students for taking on their leadership role so enthusiastically and to our Year 9 students for contributing so thoughtfully.

Applications for our Sixth form are now open. Please follow this link to apply:

[Sixth Form application link](#)

Applications close on Sunday, 31st January 2027

Mrs Melton

Artist OF THE Week

Congratulations to **Annabelle in 8C** who is our Artist of the Week, Annabelle has produced this impressive pencil portrait of Kate Middleton.

She has used the grid method to help carefully observe and recreate the proportions and details of the original image. Their attention to detail, careful pencil control and perseverance have resulted in a fantastic final piece.

We are incredibly proud of the effort and skill demonstrated. A very well-deserved Artist of the Week!

Mrs Garland

Artist OF THE Week

Last week we celebrated this striking observational drawing of a ram's skull. The artist, **Frances** in **9L** has demonstrated excellent attention to detail, confident line work and skilful tonal shading, particularly within the beautifully observed curved horn. A fantastic example of how careful observation and expressive mark-making can bring a drawing to life.

Congratulations on an outstanding piece of work!

Chess Team Makes a Fantastic Start!

Our **Chess Team** took part in their first competition on Monday afternoon and did an excellent job competing against six other schools. We are delighted to report that our team **won seven games**, which is a fantastic achievement for their first event.

A huge well done to **Isabella, Kerinza, Isabelle, and Marenique** for representing the school so brilliantly. We are incredibly proud of their effort, enthusiasm, and sportsmanship throughout the competition.

There is still space for two more players to join the team. Competitions take place **every second Monday**, so this is a great opportunity for anyone interested in chess to get involved.

Don't forget that **Chess Club runs every Friday lunchtime in N22.** Whether you are an experienced player or just looking to learn, everyone is welcome!

Well done to our team, and we look forward to even more success in the coming weeks!

Mr Viljoen

Year 7 Football Team Show Great Spirit in First Match

On Tuesday 29th September, our **Year 7 football team** travelled to Darrick Wood School for their very first competitive game together. The girls were enthusiastic, excited and ready to get going!

From the opening whistle, you could see that we were a newly formed team still getting used to playing alongside one another. Despite this, we created a couple of fantastic chances early on, while **Elsie** was excellent in goal, pulling off some brilliant saves to keep us in the game.

Unfortunately, we conceded the opening goal, but the girls refused to let their heads drop. As the first half progressed, they grew in confidence, started working together and certainly weren't afraid to get stuck in!

At half-time, we had a really positive team talk about what we needed to do in the second half. The girls took everything on board and went back onto the pitch determined to battle hard. We continued to create opportunities and kept chipping away, but unfortunately, we just couldn't find that final touch to get the ball into the back of the net.

Darrick Wood went on to score a couple more goals, but what impressed me most was the attitude of our girls. They never gave up, continued working for one another right until the final whistle and did themselves incredibly proud.

For a team playing their first ever match together, there were so many positives to take away. I am extremely proud of their first performance and can't wait to see how they continue to develop as a team throughout the season.

Well done to our Year 7 team:

Elsie K, Emily L, Edie T, Edie P, Violet P, Niamh L, Rose C, Ruby C, Keira W, Lily R and Bella C.

A fantastic first effort, girls. Plenty to build on and lots to look forward to!

Mr Hunnisett

Songfest 2026

Year 7 Songfest is taking place on **Wednesday 14th October**. This is Year 7s first opportunity to perform in a concert at Chislehurst School for Girls. It is also their first performance assessment! All Year 7 have been busy learning a selection of songs in their Music lessons which they will be performing in the concert.

Parents and carers are welcome to attend the concert which starts at 4.00 pm and lasts for approximately an hour. A letter has gone out this week with further details about the event and how to reserve a ticket. Tickets can only be reserved through **Eventbrite** using the link below. We are initially limiting tickets to one seat per student to allow as many of our young people to be supported as possible.

[Click here to purchase Songfest tickets](#)

We do hope to see as many of you as possible on Wednesday 14th October for your daughters' first (and hopefully not last!) concert at our school.

Miss Lowing

Music clubs and instrumental lessons

We are still welcoming both new and old faces to our music clubs; you can sign up using SOCS or just turn up and ask in the Music Department, where there are always friendly Music Legends around to help. There's plenty of space in Year 7 Choir for our newest students, and with at least 5 performances all lined up before Christmas, we've got plenty to do!

Our instrumental teachers are busier than ever, and we're so appreciative of their excellent tuition. If you're interested in signing up for individual instrumental lessons, please go to the main school website, then click Students then Clubs to find the application form, or click on the link here: [Music Clubs](#)

Astroturf Footwear and Rules

We would like to take this opportunity to remind you of the rules and procedures that we are putting in place to ensure the safety of the students, and also the longevity and care of the astroturf itself.

Footwear

Students must have and wear correct footwear in order to be permitted to use the astroturf at any time, both in PE lessons and in extra-curricular PE activities. Please see the table below:

Students without correct footwear will need either to borrow correct footwear or will not be able to participate. Sports trainers therefore remain the most versatile footwear for all sports and activities, whether these are being taught and played on the astroturf, the field, or inside.

Footwear must also be clean in order to use the astroturf; there are boot scrapers at the entrance which must be used if trainers/boots are muddy.

Please be aware that external hirers of our astroturf are being expected to wear only football boots or moulded studs. We are permitting sports trainers in school so that the astroturf is accessible to all students, as it should be, within our lessons and extra-curricular activities.

Additional rules

Students must not leave litter in the astroturf enclosure, either on the pitch or in the spectator area.

Permitted	Not Permitted
· Sports Trainers (any colour) · Football boots (plastic studs) · Moulded boots (plastic studs)	· Flat-soled fashion trainers (e.g. Converse/Vans/basketball trainers) · Bladed boots or metal studs · School shoes

- Water bottles etc. must be cleared after lessons/extra-curricular activities.
- No chewing gum to be brought into the astroturf area, either the pitch or the spectator area.
- No food to be eaten in the astroturf area, either the pitch or the spectator area.
- No jewellery to be worn in the astroturf area, either the pitch or the spectator area.

We would appreciate it if you could discuss these rules with your child before school resumes next term. We will be reinforcing these expectations within PE lessons so that our whole school community is aware of them.

Thank you very much.

The PE Department
