

Year 9 Science Road Map

1. Cell Structure

2. Atomic Structure and mixtures

3. Energy Equations and calculations

4. Cell division

5. Periodic Table

A standard periodic table of elements, color-coded by groups. It includes element symbols, atomic numbers, and names.

6. Energy Efficiency and conservation

Assessment point

Assessment point

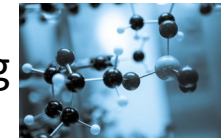

11. Further Bonding and Structure

10. Organisation 1

9. Energy Resources Presentation

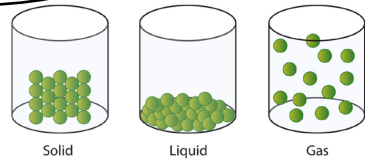

8. Bonding

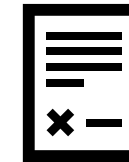

Assessment point

Assessment point

15. Particle model – Kinetic theory and density

16. End of Year exam

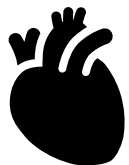

17. Extraction of metals

Assessment point

Assessment point

13. Organisation 2

14. Chemical changes – acids, alkalis

18. Particle model – Internal energy and gases
